

Pack 31 Uniform Swap

Every new scout year it seems as if we have to replace a piece of the scout uniform. What happens to last year's no longer needed ensemble. For some there is a younger brother awaiting use of them, however, for many the items lay around collecting dust. The pack is sponsoring a way for scout families to share no longer needed uniform items.

If you are interested in participating by donating items, the pack will collect clean, used neckerchiefs, slides, and hats. Requests for items will be honored on a first come, first served basis. Contact your den leader if you would like to donate or request an item.
